

European Union (Withdrawal) Bill

Sarah Wollaston Chair, Health Committee, Chair, Liaison Committee (Commons)

I congratulate my hon. Friend and the Procedure Committee, and I really welcome its proposals. Does he think that this idea should be extended to all statutory instruments?

Charles Walker Chair, Procedure Committee

My hon. Friend tempts me so much. It is not my intention today to spook the Government, but I think the sifting committee will probably be so successful that the Government and the House will want to embrace it for all negative SIs going forward.
