

Health and Social Care: Topical Questions

Sarah Wollaston Chair, Health and Social Care Committee, Chair, Liaison Committee (Commons)

Thank you, Mr Speaker. Will the Secretary of State commit to publishing the progress report on sugar reduction and the next steps strategy on the reformulation programme, so that the Health Committee can examine that when Public Health England appears before us on 22 May?

Jeremy Hunt Secretary of State for Health and Social Care

I had a conversation with Public Health England before questions this afternoon, and it committed to publishing that before that hearing.
